MAY 2 1956

Mr. Richard Smith
Chestnut Lodge
McLean, Virginia

Dear Mr. Smith:

Thank you for your letter of April 22, 1956, enclosing the letter from Senator Byrd to [] and your suggestion that a two-lane connecting road be constructed between Chain Bridge and the southern lane of the proposed extension of the George Washington Memorial Parkway.

STATINTL

I note that you have sent this suggestion to General Anderson and have discussed it with a representative of the Bureau of Public Roads, who indicated that he would bring it to the attention of Mr. Spelman. We are very much interested, of course, in the access roads which will be available in the Langley area, and will see that your suggestion receives appropriate consideration from the Agency point of view.

Your continued interest in this matter is appreciated.

Sincerely,

Signed

L. K. White
Deputy Director
